BECKY KORCSOG

Becky:
To a fellow block member (Ha)
Even tho we've been in the
block for 3 mo. all year we
don't really know each other
too well - Well, we have a whole
year ahead of us. Have a good
year ahead of us. Have a good
summer and good luck in
everything you do. Joan

Becky,
To you, a person of
the block. Well its
been a great year
in here, even if Grace
has been a pain-fat
at least Binn is pretty!
Well have fun this
Summer & its been a gas
in Block See ya next year
Love
Susie

Becky,
To a very nice and
sweet girl I met just this
year. I see you next year.
Deb. Hill
"74"

Becky,
I am so glad that
I came into the block.
You are one of the most
sweet persons in there.
maybe boy next year we'll
have the chance to get to know
more about each other. Because
really we don't know each
other.
Have fun,
Margi
'74

Becky,
It's been a nice meeting you
this year. Don't study too hard
during summer and go up misbehaving
Love,
Janet
'74"

Becky,
To a girl who I just sorta got to know better in the block than last year. There are always things that people don't like, but it doesn't seem to bother you since the disagreements in the block this year. You've still got the same friends, even though most of them don't really show it. Stay the way you are.

Chew + Doug

Becky,
To a sweet girl
I don't know that
well, stay cool & out of
trouble. (Mrs. David A. Default)
Connie
See ya next year!

Becky,
To a sweet person who's just met this year in block 4. History a big word, which was the future and current hand

Becky, friend. To a sweet person, as you are, make a handy dandy sweet. Stay as sweet as you're gonna make, year. Keep practicing at it, you're gonna make it. Stay in touch. See you next year.
Jan

good secretary.

Becky,
To a sweet girl who I don't know that well, stay cool & out of trouble.
Connie
See ya next year!

Becky,
Nice knowing you, it's been a lot of fun in the block and best of luck in your future endeavors.
Your friend, Karen Mielitz

Becky,
It was a real pleasure to have you in the block this year. Keep up the good work in the future.
Sincerely,
Marsha

Hi Dan

Becky
Sue

Speak, Ha Ha Ha, well that's all for now!
Your frigend and mine, Rick Hudson

Well Becky,
I'm glad this year, and in
that races, class, and since
then we've been "okay". I can't
think of anything to say but
"Good Luck"

Hesitantly
I must go now
Hesitantly
I leave behind
a maze of corridors
a wealth of knowledge
a dozen boyfriends
a lot of memories
security.
Hesitantly
I step into the jungle
where I'll either be crushed
or swing on strong vines.
Vines that I have
been building
since high school.

CURRICULUM

Mr. Homer S. Nightingale
Superintendent of Schools.

Board, Adminstration Work Together for the Students

As the community's representative in providing all students in the Washington Local School District with the best educational facilities, the Board of Education has again succeeded. This was shown by some improvements in the system.

This past year construction has taken up a large area on the Whitmer campus. The tennis and basketball courts at Stacy Field were completed in the fall of 1972. Work on the science wing continued through the winter, with the completion date drawing nearer day by day. Another improvement is the renovation of the interior of the Jefferson building which began last summer.

Groundbreaking for the new vocational addition was held on October 4, 1972. Representatives of the administration, the principals of Whitmer, and the students of vocational education were on hand for the ceremonies.

Another improvement on the campus is the relocation of the baseball diamond. Trees and sod will be added to beautify the area. Also, drinking fountains, a sprinkling system, and new dugouts were added.

Completing his fifteenth year as superintendent of schools in Washington Local is Mr. Homer S. Nightingale. He has dedicated twenty-eight years as teacher, principal, assistant superintendent, and superintendent to making the Washington Local School District the best.

Also having their offices in the Douglas Road headquarters of the school system are Mr. DeLong, Mr. Brumbaugh, Mr. Davis, Mr. Huffman, and Mr. Bishop.

The Board of Education has two new members this year. Mrs. Norma Groves and Mr. Bernard Janis join holdovers Dr. Kenneth DeGood, Mr. Henry Metzger, and Mr. Richard Turner. We would like to welcome them.

Principals Concentrate Their Efforts on Quality Education

Principals were kept busy at Whitmer getting things organized in the new wings of the Whitmer building. They spent time organizing new classes with counselors and teachers. Many time consuming tasks kept the principals busy.

Mr. Martin spent the past year working with other administrators to keep the three buildings in the Whitmer complex in order. He also spent much time keeping communication channels open between teachers and students.

Mr. Bahna worked with teachers and counselors to straighten out any problems in the curriculum that is offered. Mr. Bender observed and evaluated teachers in the Whitmer building and discussed the evaluations with them.

Mr. Alvarez, associate principal, worked with faculty and students to aid other administrators. He is in charge of scheduling student activities.

As principals of Jefferson and Washington, Mr. Knauss and Dr. Aceto took care of faculty evaluation and class scheduling. They were assisted by Mr. Holden and Mr. Brechbill, respectively, who doubled as boys' deans.

Mrs. Schaefer, one of Mr. Alvarez's secretaries, happily works on the grade card list.

Mrs. Heaton stands ready to assist everyone in the office at Jefferson.

A newcomer to the secretarial staff, Mrs. Keller finds there is always typing to be done.

Mrs. Pontius calls the Washington building to check on an error in the budgeting.

Mrs. Campbell, Mr. Martin's private secretary, cheerfully smiles for the camera.

Mrs. Robison checks for absentees on list to place on file to be checked later.

Being the only secretary in the Washington building, Mrs. Crabb has a big responsibility.

Secretaries Give a Helping Hand to All Administrators

Mrs. Campbell, Mr. Martin's new private secretary, is a great help to him with his busy schedule. Her newly acquired duties include compiling progress reports and sorting Mr. Martin's daily flood of mail. The bookkeeper for the entire Whitmer complex, Mrs. Pontius, keeps the accounts for the various organizations and activities, besides budgeting figures for each department. Mrs. Keller, new to Whitmer this year, finds herself setting up hearings, typing for teachers, and acting as Mr. Pippert's part-time secretary.

Mrs. Blazey, Mrs. Robison, and Mrs. Schaefer work together to run Mr. Alvarez's office smoothly.

As Mr. Bahna's secretary, one can find Mrs. Scofield once again working on student schedule and phase changes.

Mrs. Dubendorfer, assistant to both boys' and girls' deans, works hard writing late passes and acting as a receptionist for Mrs. Slovak.

As the only secretary in the Washington building, Mrs. Crabb's duties are of a wide variety. She types, keeps records, files reports, and compiles scores.

Mrs. Heaton, secretary at Jefferson, types all correspondence, compiles absence lists and does all other necessary office duties.

Mrs. Blazey is caught by photographer while answering the telephone in Mr. Alvarez's office.

Counselors Direct Students in Their Career Selections

The counselors spent their time helping students prepare for college and the future. SAT, ACT, and PSAT tests and results were given and explained thoroughly. A schedule of college representatives was set up to help college-bound students make decisions on the college best suited to their chosen career. And finally, they helped with college applications and high school transcripts. Vocational counseling is also offered to the students.

The Whitmer counseling staff added a new member this year. Mrs. Stiefel replaced Mrs. Mauter. Another new counselor is Mrs. Robertson at Jefferson.

The Dress Code No Longer Poses Problems for Deans

The deans were kept busy with the many disciplinary problems that arose in the Whitmer complex, but no longer were troubled with enforcing a dress code.

As dean of boys, Mr. Hersland handled the problems at Whitmer with the assistance of Mr. Gilbert. Mrs. Slovak, girls' dean, and Mrs. Pippert, assistant dean, were kept busy with late passes and other duties. Mrs. Pennypacker and Mr. Holden held the positions of part-time deans at Jefferson. At Washington, Mr. Brechbill and Mrs. Gonia handled disciplinary problems.

Filmmaking Gives Students a Perspective of Creativity

Mrs. Margaret Towe
Department Chairwoman

Whitmer's filmmaking class, taught by Mr. Louis Sidor, teaches students the fundamentals of filmmaking. Students learn about writing the scripts for their films, lighting techniques, and different types of lenses and cameras.

Films are made and studied on many subjects. Students were reported to have done movies about a one-man football team, wheels, drugs, and lights.

Learning about different camera angles helps the future photographers to take pictures and films in a manner that proves to be very interesting to the eye. Students leave the class with a basic knowledge of how to create and produce their own films, and more appreciation for films they see elsewhere.

Social Injustice Class Helps a South Vietnamese Family

Mrs. Towe's Social Injustice class at Whitmer should be highly commended for sponsoring one of the many needy families in the central highlands of South Vietnam. They collected money and clothing to send to war-stricken people through Project Concern. A family in the village of B'Nongret, whose father had been badly disabled by the war, was chosen to receive aid. Because of his handicap he was unable to work to support his wife and children.

The father is Ha Chu, age 30. His wife is 28-year-old Ka Jieng. Their daughters are Ka Dong, 15, Ka Jot, 13, Ka Gai, 6, and Ka Gien, 4. Their son is 10-year-old Ha Tu. Project Concern reported that they were delighted to learn that they would have one year's free medical care.

Math Department Acquires a New Computer Teletype

The 1972-73 school year found many changes in the math department. The biggest addition was a teletype, which is linked to the computer system at Bowling Green State University. With the assistance of this teletype, math students were able to calculate the most difficult problems in any of our math courses.

Semester courses were added to the math curriculum. Statistics, Linear Algebra, Aviation, and Abstract Algebra were offered for the first time.

Aviation students, under the instruction of Mr. Corfman, learned the physical laws of nature and how they affect an airplane. Cloud formations were used in the prediction of possible severe weather. The students also learned the use of all the instruments necessary to take a written test for their license.

String Boards Are a Part of New Recreational Math

Mr. DeWitt, Mrs. Karazim, Mr. Anderson, and Mrs. Kalmbach spent approximately one week at various times throughout the year working on curve sketchings with board, nails, and string. Designs were created to illustrate parabolas, ellipses, hyperbolas, and circles. The purpose of this recreational math as part of a course is to instill an interest and appreciation for mathematics.

It is hoped that in the future a Mathematics Club will be formed in the Whitmer complex. It will be for the benefit of those students whose main interest is the study of mathematics.

Understanding Is Promoted by Foreign Language Dept.

The foreign language department has been keeping busy. During the past year each class has learned the customs and geography of their respective countries as well as vocabulary and grammar. Aids such as the language lab, films, records, tapes, and frequent skits are used to help increase the students' interest in each of the seventeen classes offered.

One semester course has been added to the foreign language department curriculum this year. It is French Civilization, which is taught by Mr. Leonard Kreinbrink. This class was added in the hopes of increasing the cultural understanding of France in Whitmer High School.

A new home economics course was offered to the males of Whitmer this year. The course, Bachelors' Survival, gave the gentlemen a chance to try their hand at cooking and sewing. The food they prepared was generally simple, main courses which would be both tasty and filling.

Another new course was Home Nursing and Child Development. A play group was involved with this class, giving the students a chance to observe children.

Physiology Class Journeys to Medical College of Ohio

Gerald Ice
Department Chairman

A rare opportunity was offered to physiology students this past year, when a field trip was taken to the Medical College of Ohio. The students sat in on a two hour lecture concerning the cardiovascular system given by Doctor Ben Pansky. A tour of the animal research facilities, medical library, and anatomical department was led by a professor.

A rather unique experience was had by all the students when they viewed a dissected cadaver. A medical student explained the various parts and lifted out the sternum to reveal the heart, which he had previously dissected for one of his classes. All who went agreed it was a fascinating experience.

Science Wing Provides for Increase in the Curriculum

The new science wing, scheduled to be open by September of 1973, will enable many more students to take part in the science curriculum. The three chemistry laboratories which will be upstairs will have many pieces of new equipment, including movable fumehoods. On the first floor there will be three new Biology laboratories. Each lab will have a demonstration table plus the facilities for students to perform experiments. There will also be a lecture hall that will hold a capacity of one-hundred fifty students. It will have a demonstration table that the person speaking may utilize.

Project rooms will also be available to students. Teachers will have separate offices to use outside of laboratories.

Business Department Backs Candle Sale for Christmas

The 1973 business blocks were busy as usual. The girls learned how to become secretaries, as well as bookkeepers. The day in the block lasts approximately three hours. In these three hours they learn many new and different things, such as typing, shorthand, filing, and operating various office machines. Many of these girls go on to become highly skilled and trained business, as well as personal, secretaries. All block programs run two years.

During the Christmas season the blocks sold candles and other items. This was one of their largest and most successful projects.

Industrial Arts Furnishes a Better Education for Jobs

Industrial Arts provides preparation for technical careers such as wood and metal working and architecture. In these, students are taught the techniques for using special equipment unique to their field.

Woodshop classes did projects which included plans, scale drawings, and approximate costs. Procedures in furniture construction and lathe work were studied.

Metal class students learned the eight steps in the processing of metal.

Mechanical drawing students were introduced to lettering, geometric constructions, threads, fasteners, cams, gears, and shop drawings.

Swimming Part of Expanded Physical Education Program

Construction of the vocational wing and work on the existing fields hampered the gym classes' fall schedule. Classes were held indoors or bussed to Wernert Park. At the beginning of the year, students swam at Tamaron Country Club.

Whitmer's 1973 tumbling program began on January 3. Many new prospects for the circus were spotted in the first few weeks of tumbling activity. Teachers participated in executions and fundamental activities this year.

The two-hour physical education class enjoyed fishing, boating, and archery during the early part of the school year. Later, four weeks were spent at Ottawa Park Ice Rink and Skateland for ice skating and roller skating. Tennis, bowling, and shuffleboard were among the spring activities planned.

History Classes Read About Their Respectable Heritage

History students have a wide variety of classes from which to choose, depending upon the period of history in which their interest lies.

Courses about the world wars, western civilization, American government, and behavioral science are offered. For those seniors eventually interested in marriage, there is the Individual, Family, and Marriage course.

A student can go back in time, to Frontier America or the American Revolution, or study more current times in Recent America. He also has the opportunity to study our area with the Ohio and Maumee Valley course.

History Instructors Use a Variety of Teaching Styles

History classes today differ greatly from those taught in the past. Present classes deal with much more than the general study of wars, land, dates, and the development of a nation or geographic area. Many classes go into a deeper and more thorough understanding of the people involved in the making of history, and search for the reasons behind their actions.

Today's history classes at Whitmer are more advanced than at many other schools. We have a wider variety of classes that the students are interested in, and the teachers make the subject interesting, as well as fun.

Select Ensemble Entertains Shoppers in Toledo's Malls

One of the new classes added to the music department this year was Select Ensemble. This is a group of kids who really like to sing and their voices are considered the "cream of the crop." They make a stunning group in their costumes of long, aqua gowns for the girls and printed shirts and white ties for the boys. They gave daily concerts before Christmas and sang at all the malls. The ensemble sang live on WSPD radio and were recorded for stations WTTO and WMHE. They entertained the school by singing carols on the P.A. before Christmas.

Art Courses Give Outlet to Students' Creative Feelings

Students at Jefferson, Washington, and Whitmer were able to bring out their creative ability while taking Art, Crafts, Design and Commercial Art, Ceramics, Drawing, Painting, and Sculpture. These students are taught fundamentals as well as advanced traits of the business. They express their innermost thoughts in designing their own pieces of art work. The teachers act as advisors, grading the students on a basis of what the student can do himself.

Vocational Building to Open for the 1974 School Year

Whitmer's new vocational building is scheduled to open in September of 1974. It shall provide facilities for a number of students to take part in such vocations as food service for institutions and hospitals, printing, and commercial art.

There will be two new auto mechanic shops and an auto repair shop for the seniors and juniors. Carpentry, welding, small motor and appliance, refrigeration and heating, radio and television, and industrial electronics are other courses that will be offered as part of the curriculum. These courses will enable more students to gain skills in a vocational field.

Students may also partake in distributive education, occupational work, data processing, drafting, and a health occupation course.

More students will be able to enroll in vocational courses due to the new vocational building. The cosmetology enrollment will be able to double in size. There will also be new rooms for the clerk-typing, account-bookkeeping, stenography, and cooperative office education classes.

The building will hold special facilities for the handicapped, including an elevator. There will be no obstacles such as small steps in the building.

There won't be a new cafeteria, but food will be brought in from the present cafeteria during the lunch hour. It will be served in the new commons area and afterward will be cleared away and taken back to Whitmer.

Occupational Education Sells Candy Prior to Christmas

Occupational Education students learn to be better students as well as citizens. Numerous field trips are taken to acquaint the students with the workings of area establishments. Many of the students have part-time jobs around the school for which they are paid. The custodians and cooks find them a great help. These jobs not only teach them responsibility, but prepare them for the world of work. The students find a better understanding of themselves and others.

Before Christmas hard candy was made by the students and sold around the school to be enjoyed by everyone. They also made a type of snack from a mixture of cereals and peanuts. Another special project marked their Thanksgiving. They made and sold pumpkin bread using an old time recipe.

Visual Aids Better Students' Understanding of a Course

The audio visual department, headed by Mr. Ed O'Reilly, gives the students the chance to have visual aids to help them. Students may have slides, signs, or posters printed as part of a classroom project.

Teachers use visual aids made in the audio visual department to help in the education of their pupils. They have articles from books and magazines reprinted to assist in the development of the students' learning process. Materials can also be laminated to protect them from the wear and tear of everyday use.

Identification pictures are also taken care of through the audio visual department. Any student having lost an I.D. may have a new one taken.

Science Center to Feature Conference Room, Aquarium

The new Science Resource Center, scheduled to open in September, 1973, will be headed by Mrs. Alice Lemerand, with assistance from Mrs. Margaret Wilson.

The new center, located in the science wing, will be air conditioned and completely carpeted. There will be a special conference room, providing a quiet, private atmosphere, in which students can meet and work. Research material will be on a mezzanine, giving students a chance to find it easily.

The research center will feature a hundred gallon aquarium for tropical fish. There are also plans to purchase new audio-visual equipment.

Air Conditioning Installed in Library; Keeps People Cool

Students are aided by the librarians, library clerks, and Library Council members in finding research material, using the card catalogue, and getting books on personal interests and hobbies. The library also has facilities for students to listen to their favorite type of music on tapes and records.

Warm days may be spent in comfort in the library. A new air conditioning system was installed last summer to make studying easier on warm days.

Library Council members are trained to keep the books in order so they may be found quickly and easily. They aid the library staffs in many ways.

Nurses From Each Building Minister to Daily Ailments

Nurses in all three buildings take care of the illnesses and injuries that students have. Faculty members also are taken care of. Vision tests, as well as personal health tips, are given by the nurses.

Along with their other duties, Mrs. Wumer and Mrs. Schliesser are advisors of the Paramedical Club. The club has sold rose bowls and candles as money making projects. They have also taken trips to different hospitals and many other interesting places. The nurses are of great necessity to all three schools.

Cafeteria Staff Provides a Hearty Lunch for Students

Once again we find the cafeteria staff hard at work in order to provide a cheery atmosphere. They tried their best to make the lunches as appetizing and appealing to the students as possible. At Washington and Jefferson the meals were planned in advance to be delicious as well as nutritious. Their hard work was greatly appreciated by the students and we hope that the same quality of food will be served in the future.

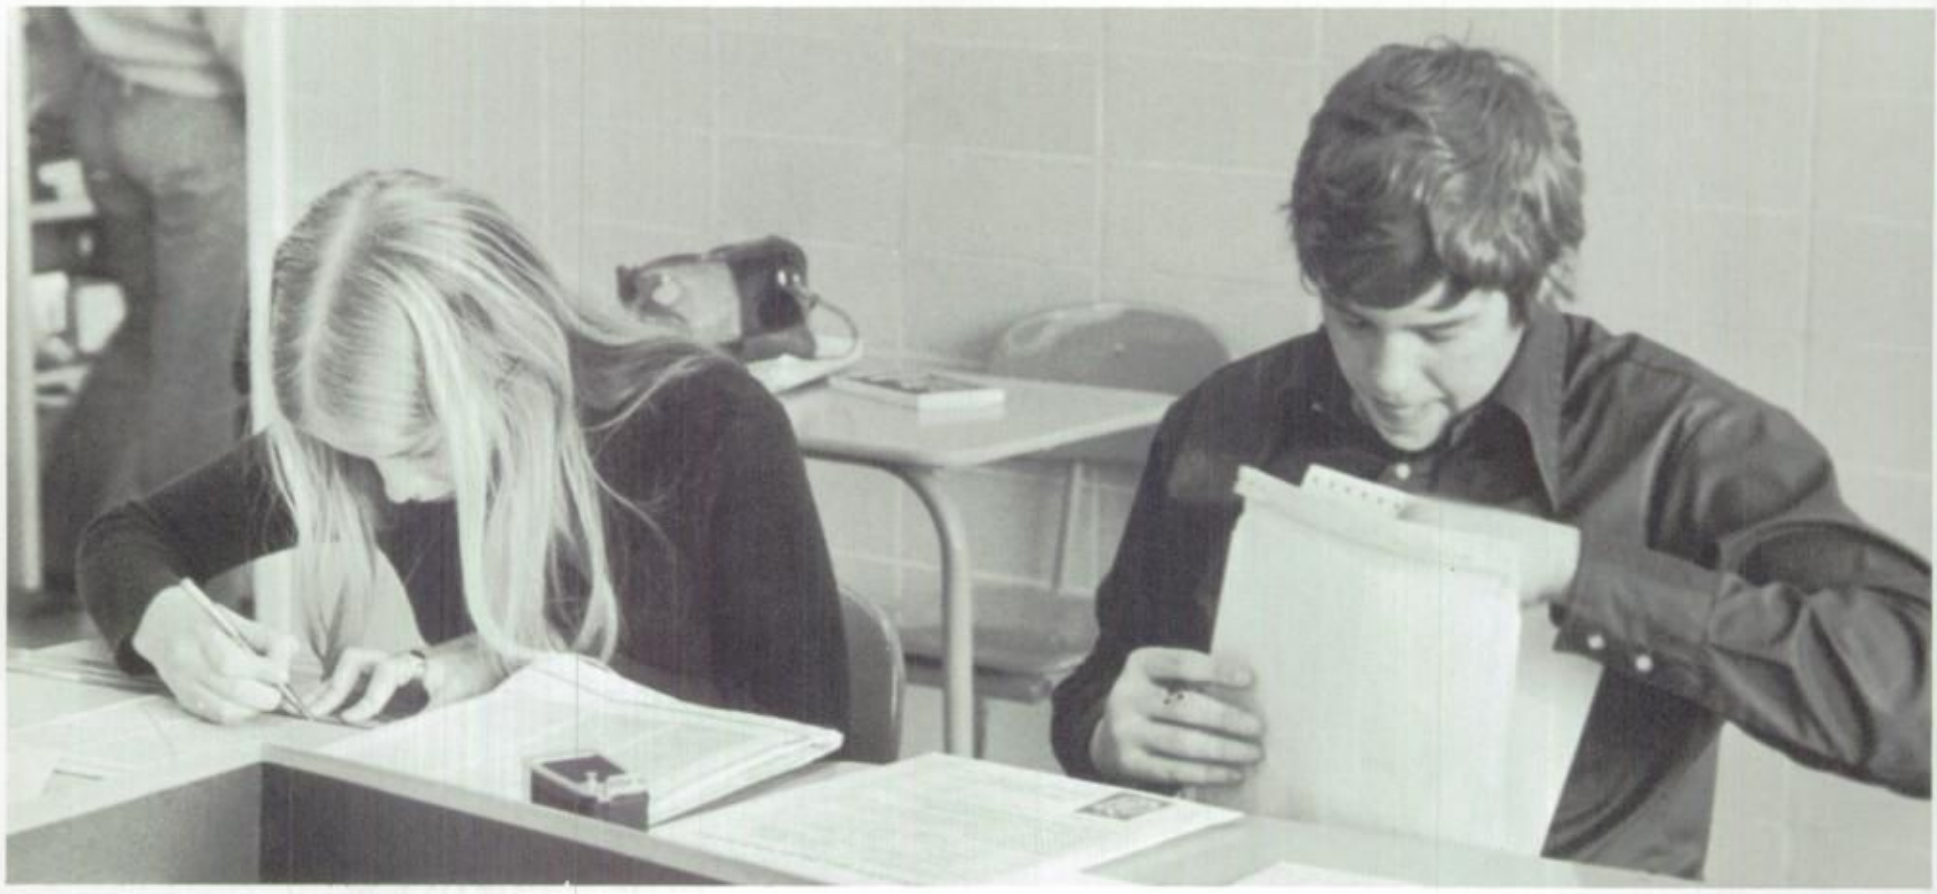
Programs Filled With Ear-pleasing Sounds

Keith McWatters plays the xylophone with Whitmer's band during graduation ceremonies.



Kerrie Ward and Doyle Delph, members of the Oracle staff, work on a sports page layout.

Individual Sections of the Staff Work Hard

When Doyle isn't busy with his sports section, he goes to the zoo to watch the monkeys.

Jenifer DeRose and Christie Houghton are members of the business section of the yearbook.

To Meet Deadlines on the 1973 Oracle

Linda Burtch and Diane Bachli pool their efforts as organizers of the activities section.

First year staff member Linda Burtch industriously composes copy for the ORACLE.

Mr. Thomaswick, advisor to the ORACLE, relaxes while the zoo animals look at his staff.

Sally breaks into laughter upon hearing a teasing remark made by a staff member.

Yearbook Guys and Girls Strive to Finish

Sally Ott, Editor-in-Chief of the ORACLE, strikes a solemn pose in the zoological gardens.

Sally looks on in disbelief as our advisor tries to explain the right way to draw a layout.

This noble creature represents "Toklat." "Toklat's" real name is Ron Skulas, photographer at extra-large.

Their Pages Before Deadline Time Arrives

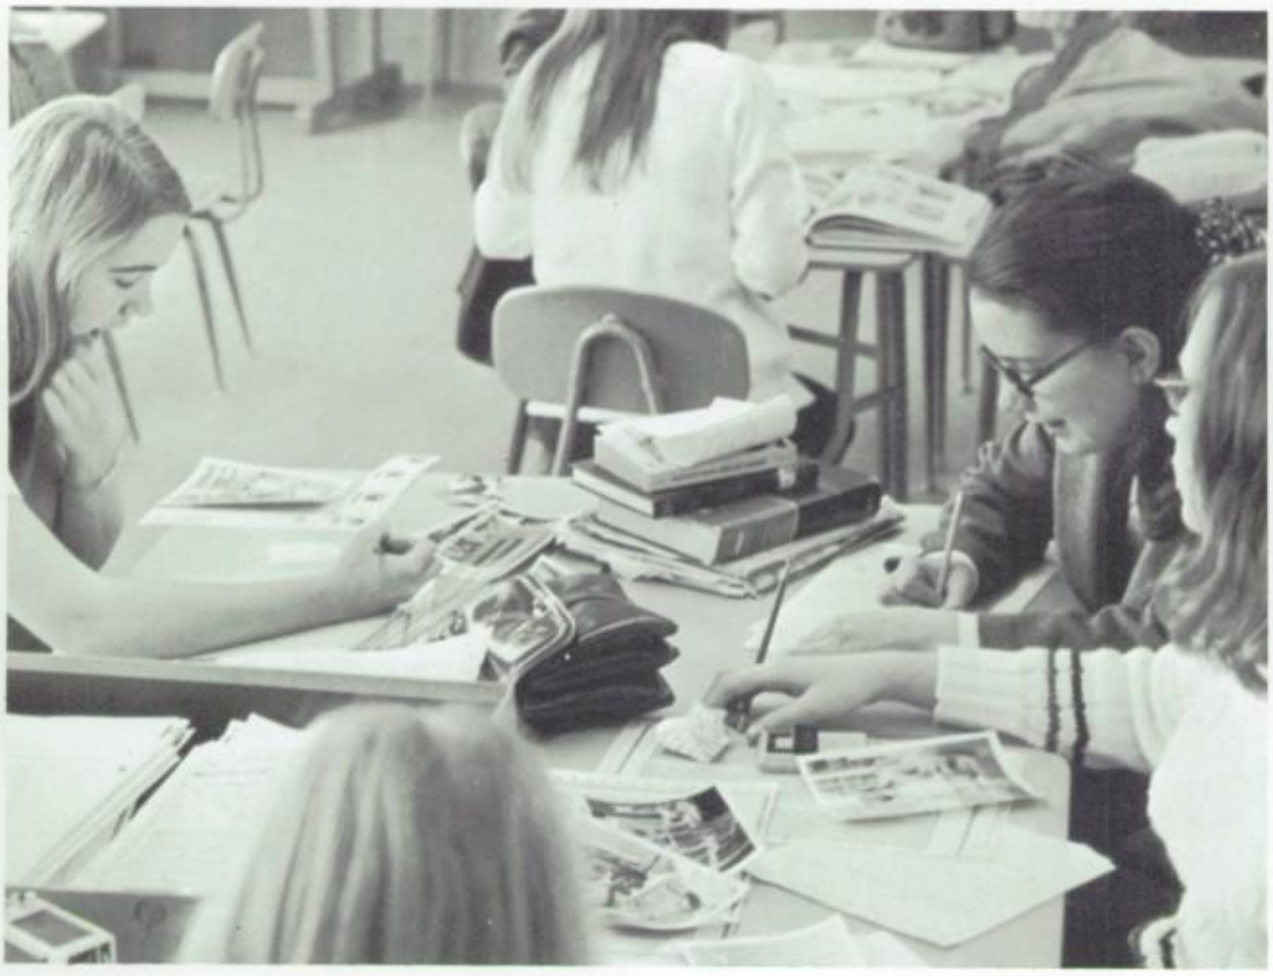
Mike Fecchino, this handsome fellow, has been our wonderful, fantastic photographer?

A face of delicacy and eyes ever so dark and innocent are prominent features of this deer.

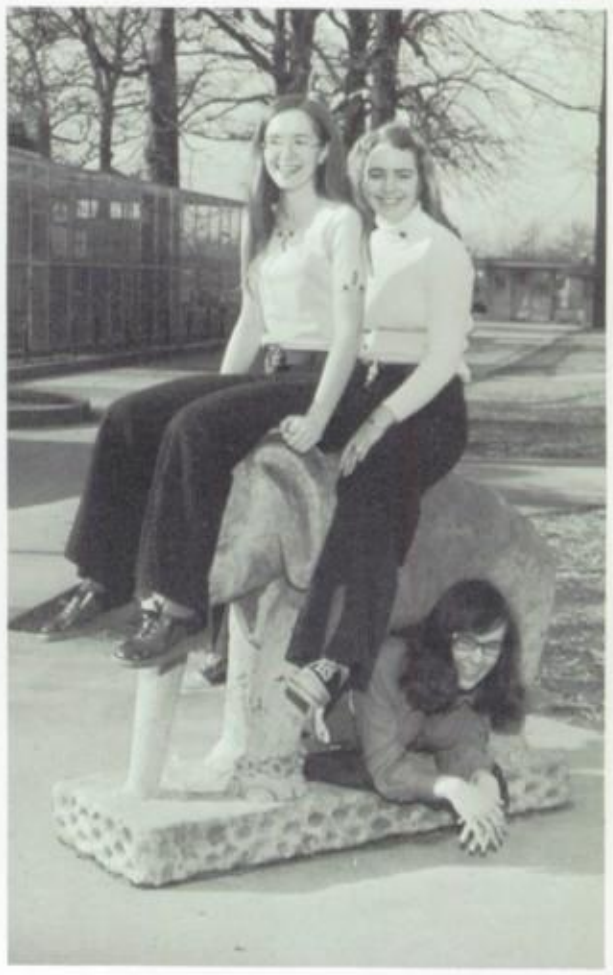
Devanie Doran, typist, poses with Sue Coehrs and Karen Deily, members of the organizations section, in front of a friendly elephant.

Cropping, Layouts, Indexing, and Deadlines

Sue Coehrs shows Paulette Darling how the proportion wheel reduces or enlarges pictures.



Shirley Wichowski and Vicki Bernhagen lay out pages while Roberta Gasiorowski writes heads.



Paulette Rudnicki and Vicki Bernhagen smile as a ponderous pachyderm tramples Shirley Wichowski.

Face the Staff in Preparing the Yearbook

Mike Wueller, Roberta Gasiorowski, Julie Geoffrion, and Marcia Hanley, the ORACLE's student section, thoroughly enjoy gazing at the polar bears.

Sue Horton is convinced by the Good Fairy not to run away with her lover.

The Russian colonel, Craig Weide, is engaged in his favorite pastime, knitting.

The Russian beauty, Crystal Jones, nonchalantly continues her game of croquet.

LEFT TO RIGHT: Kelley Willis, Jim Steves, Craig Weide, and Paul Peters, chosen to play the four colonels, are finding it hard to agree on anything.

Carlos Ascunce, as the Wicked Fairy, persuades the four colonels to seduce their ideal women.

One of the images of the beauty is gracefully portrayed by Karen Kluczynski.

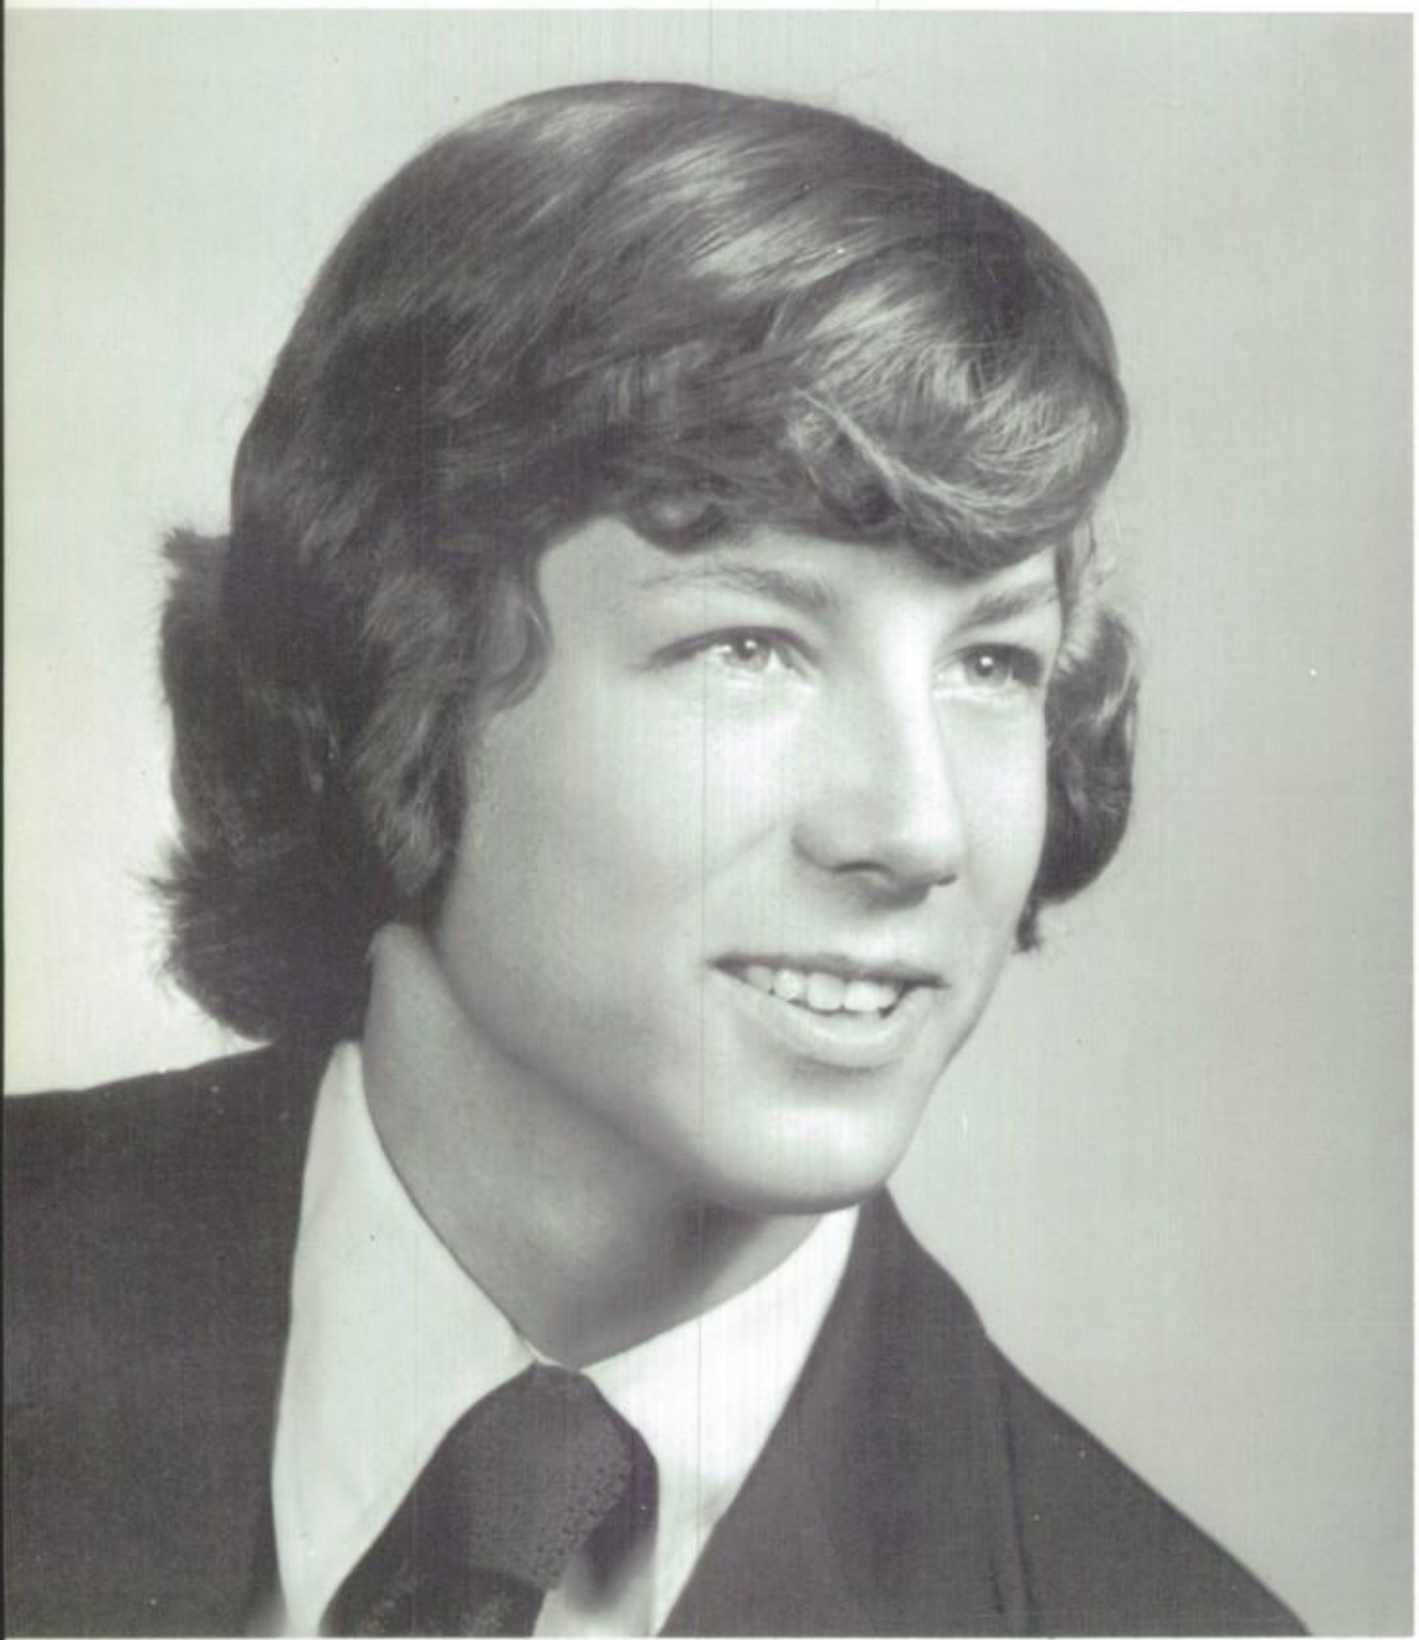
ORACLE Kingdom Honors Jeff Olah As '73 Sovereign



KING JEFF OLAH

Whitmer's male monarch,
successor to royalty,
Enters the throne room,
to don the kingly garb.
With masculine features,
and smiling expression,
He becomes the fourth to attain,
this courtly distinction.
The reign of Jeff Olah
now proudly begins.

QUEEN JERI MAXWELL

The finger of fate searches
the ranks of Whitmer's beauties,
Searches for the one special girl
to best uphold the queenly tradition.
It sorts and disposes,
lingers and eliminates,
Narrowing the field from hundreds
to dozens to five to one.
Studying smiles and eyes and expressions
it comes proudly to rest on Jeri Maxwell.

Fullback Dave Keeler Runs to School Rushing Record

Whitmer varsity football came in like a lion and went out like a lamb in 1972. The Panthers began the season with a big win over the St. Francis Knights, featuring a 73 yard pass play from Bruce Harsha to Bill Kramer.

Newark then came to Whitmer, but later wished they had stayed home. Whitmer scored two touchdowns in the first 1:08 and went on to smack Newark 32-19.

It looked like a big season was in store for the Panthers, but they were cut short by the next four games. The Panthers were stunned by Findlay, Clay, Lima Senior, and Start. The loss to Start disappointed a homecoming crowd.

On October 20, Whitmer put everything together to reward Coach Norm Decker with the 100th victory of his high school coaching career. The following week they battled to a 20-20 draw with Bedford.

When Whitmer went to Sylvania the offense had a field day, but the defense needed an interception to enable the Panthers to prevail by a 33-28 margin. In this game fullback Dave Keeler rushed 48 times for 269 yards.

The Panthers ended their season in a pouring rain, bowing to Central's Irish for the first time. With this loss their final record fell to 4-5-1.

Seven players entered Whitmer's football Hall of Fame at the conclusion of the season. Mike Batton and Buddy Mohler were selected from the defensive team, while offensive regulars Dave Keeler, Bruce Harsha, Jeff Robbins, Craig Hollopeter, and Brian Ruff were chosen.

Keeler, behind the blocking of offensive linemen Bob Swaney, Bill Kramer, Jeff Hiner, Tom Amstutz, Dave Hardy, Jeff Robbins, and Gary Summerville, broke the school's season rushing mark, piling up over 1,000 yards. Junior Bruce Harsha established new passing standards in most categories.

Assistant Coach Dan Passon signals the formation he wants the defense to employ.

Track Season Features 3rd Consecutive Gold W Victory

Whitmer's varsity track team finished the 1972 season with a total of five wins and eight losses. The team rebounded from a poor start with a string of impressive performances during the season's second half.

The team fared well in meets where many teams participated, finishing first in the Gold W and Rogers Relays. The Panther trackmen placed second at Fremont, third at the Tiffin and Adrian Relays, and fifth at the sectional meet.

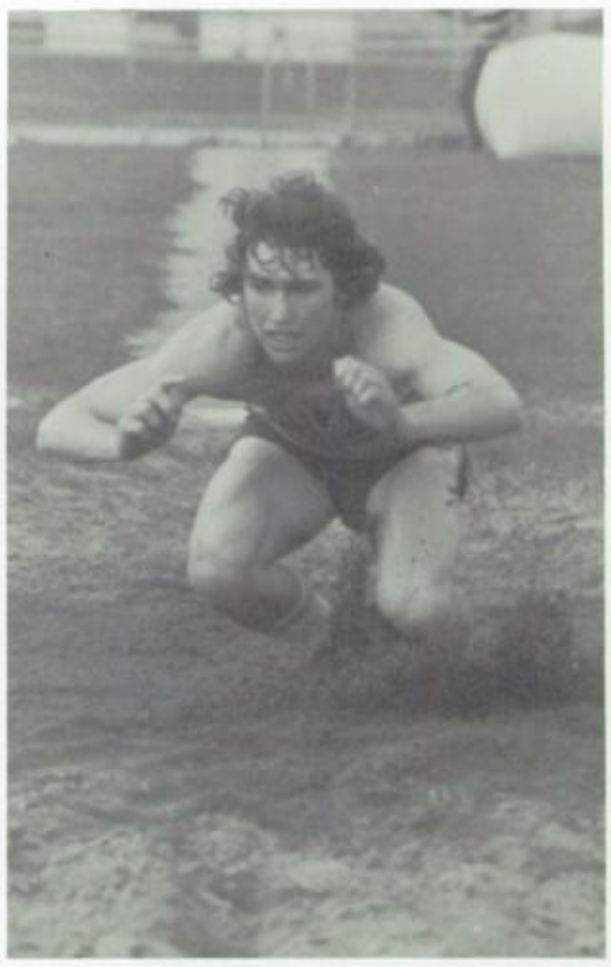
Highlighting the season was the victory in the Whitmer sponsored Gold W Meet for the third straight year. People contributing to Whitmer's victory were Tim Deuble, Jerry Freels, Steve Thomas, Ken Davis, Jeff Calisch, Chris Spychalski, and Jack Shipman. Also scoring for Whitmer were Ken Burzynski, Tom Dankert, Lorne Hume, John Bellair, Matt Caputo, Bob Swaney, and Bill Ziegler.

A new Whitmer record was set by Tom Dankert during the season. He pole vaulted 13 feet in a meet with Bedford. He later suffered a shoulder separation while vaulting, ruining any chance he had of placing in the state meet.

Bob Swaney throws his whole body into the effort needed to propel the discus.

Brad Ketterman watches the flight of the shot, hoping for enough distance to place.

Rounding the final turn, Bryan Benner concentrates on a sprint to the finish line.



Leaning forward to avoid losing valuable inches, Tom Dankert competes in the long jump.

Cross-Country Team Shows Improvement in Dual Meets

This year's cross-country team greatly improved itself by steady practice. Their record in regular meets was five wins and eight losses.

Seniors Jim Shook, Bill Basch, Don Honas and Steve Burtch provided the good leadership a team needs for running together.

Tim O'Connell a junior, ran number one all year with a top time of 10:37 for two miles. Tim placed fifth in the sectional meet. He was the only Whitmer runner who qualified for the districts.

There were about eight reserve runners who ran at the same meets as the varsity. They placed well in their competition with other schools.

Jeff Ulrich, Dave Rohr, Jim Shook, Steve Burtch, and Tim O'Connell exhibit concentration and stamina in their run against the clock at Ottawa Park's cross-country course.

New Wrestling Squad Toils Eagerly to Improve Morale

Cheerleaders, much is said about them. Some say they are stuck-up, while others feel just the opposite. Most of them are quite popular, the envy of every girl in the school. The best word for them is pride. They carry the school's pride on their shoulders, all of them expressing it well.

There is a new squad this year cheering our wrestlers on to victory. This squad consists of juniors Sue Dudderar, Ronda Sherrer, Liz Clark, Laurie Louden, Judy Kean, and senior Denise Owens.

The reserves also deserve a big cheer. They've put pride in their class this year. The cheerleaders look forward with anticipation to making the varsity squad next year. Try-outs will be stiff and competition will be rough , but only time will tell who will cheer the team on to victory in the future.

Junior Brian Ruff proudly stands as the victor, having added to his team's point total.

SMACK! That has got to be the most beautiful sound that a wrestler can ever hear while attempting to pin his opponent. Senior Jerry Weible is the Whitmer grappler who heard that sound most often this year.

The whole team had a good year. With Duane Lanham as captain, Whitmer placed first in the sectional tournament. Jerry Weible, Bill Gehring, and Brian Hart placed first, Norm Arnold, Duane Lanham, and Bill Kramer finished second, and Brian Ruff came in third, enabling the Panthers to top runner-up Rogers.

At the St. John's tournament, the freshmen did very well. They had six of their matmen come in first, while twelve others placed fourth or higher.

The eighth graders also had a great year, compiling a 7-2 record. They have the potential to become great varsity material in future years.

Freshman Cagers Capture Own Invitational Tournament

Despite a disappointing 5-14 record, Whitmer's 1972-73 varsity basketball team provided some exciting moments for its faithful fans.

Opening the season on an optimistic note, the Panthers split their fist two weekends of play. The loss to Tiffin Calvert came despite a 29 point performance by junior center Mike O'Reilly, the highest Whitmer output of the season.

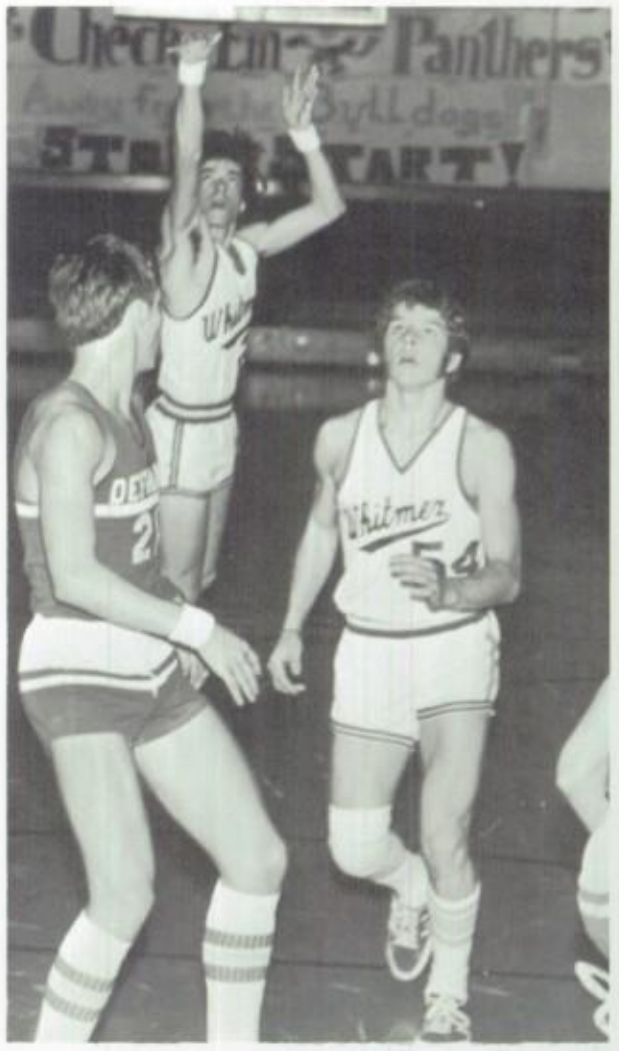
A variety of factors than helped plunge the squad into a seven game losing streak. Snapping the streak against Napoleon, the Panthers went on to three victories in their last seven regular season games.

The season's most memorable game, one people will be talking about for many years, was the tournament game against Sylvania. Whitmer staged a furious rally to tie the game and sent it into overtime. Sylvania scored with three seconds remaining in the overtime to go up by two, but a Whitmer time-out cut Sylvania's victory celebration short. Putting the ball in play with one second left, guard Bob Sparks threw a pass the length of the court to Mike O'Reilly. O'Reilly quickly put the ball off the glass and through to tie the score again. The Panthers' celebration was also short-lived as Sylvania quickly took charge in the second overtime and won 74-70. Bruce Harsha led Whitmer with 20 points.

Team leaders for the Panthers included Mike O'Reilly as the top scorer and Jack Dermer as the leading rebounder, while Bob Sparks led the squad in assists.

The reserve team concluded their season with a 12-6 record. Center Paul Graham led the Panthers in scoring, rebounding, and shooting percentage.

Washington's cagers capped their season by winning their own tournament.



Bob Sparks puts up a soft jumper while Buddy Mohler gets position for a possible rebound.

Junior forward Jack Dermer drives the baseline after getting a step on his defender.

Chris Heiny takes his man inside for a high percentage shot at the basket.

1973 was a banner year for the Whitmer hockey team. They fought the Woodward Polar Bears in a season-long battle for the league championship.

The Panthers finished their regular season play with only one loss and one tie, racking up 25 points in the process. Offering a balanced scoring attack — Mike Foore, Mike Wester, and Steve Pennington were among the top point makers in the league — Whitmer was the league's highest scoring aggregation. Goalie Bruce Branson was also a dominant figure at his position.

One of the season's high points was a tight 2-1 win over Woodward. This victory avenged an earlier loss to the Polar Bears. Bruce Branson almost had his fifth shutout in this game, but Woodward scored with 0:43 remaining.

Mike Foore starts a rink-long rush that will end with the puck in his opponents' net.

Teammates follow Ray Poskonka as he attempts to take the puck out of his own end.

Captain Scott Foore discusses with the referee who is to receive penalities.

Whitmer players take a breather while waiting for their next shift on the ice.

Bruce Branson confers with his coaches about the remaining minutes of the period.

Racketmen to Feature New Courts for 1973 Campaign

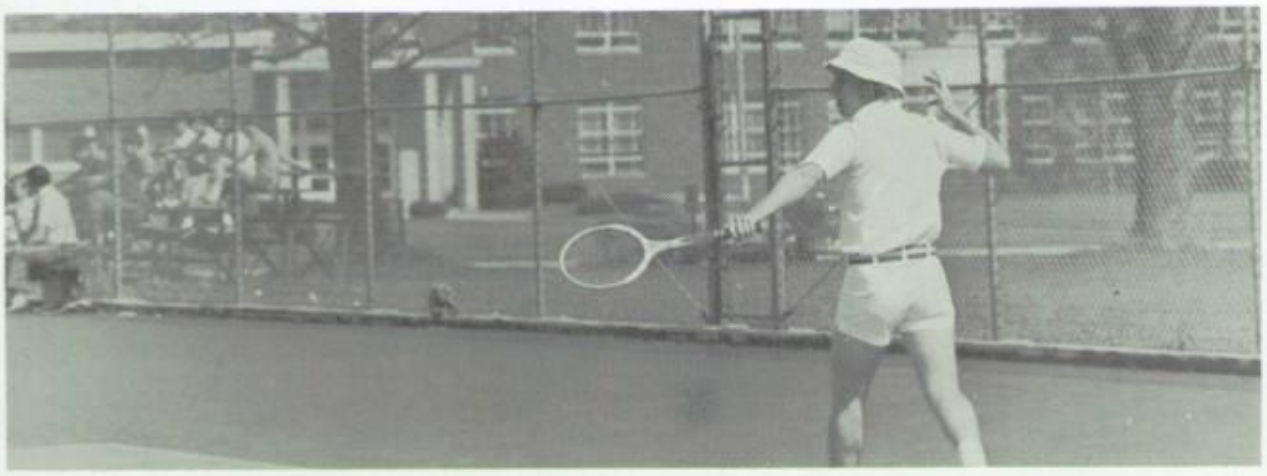
The racketmen began their season in early March, training for the tough schedule they were to face. By practicing every night after school at Trilby Park, the team prepared for the competition ahead.

The team had some tough breaks during the season, winning matches against Anthony Wayne and Bedford. They lost a total of eleven matches.

Top players on the team included 1972 graduates Mario Blinder, Brad Dolgin, Joel Scheinbach, Alan Palmiter, and Don Begley. Undergraduates winning awards were Dave McIlhargey, Steve Laney, Dan Copsey, Pete Silverman, and John Larkin.

The 1972 season was Mr. James Whiteman's last year as tennis coach at Whitmer. He guided the team for six years, beginning in 1967.

In 1973 the team will have a new playing facility as well as a new coach. All practices and home matches will be held on the new tennis courts built at Stacy Field, across Clegg Drive from Whitmer. These six courts will replace those at Trilby Park as the home base for the Panther tennis team.



Putting all his power into his backhand, Steve Laney is hoping it cannot be returned.

Golfers Overcome Problems Resulting From Inexperience

The 1972 golf team had its share of problems in the early part of the season. Except for one senior, the team consisted of all sophomores and their inexperience caused some problems. At the mid-point of the season, the team record stood at two wins and seven losses. At this point they held a "friendly" team meeting which seemed to turn the season around. The Panthers finished strong, winning six of their last eight matches, losing only to Sylvania and Napoleon, teams that finished in the top six in the state tournament.

Jeff Norris, who anchored the team, coupled with sophomores Jim Metter and Phil Roselieb to lead the team. The Panthers lost only Jeff Norris and with the fine group of returning sophomores, are looking forward to the '73 season with great expectations. The sophomores, with one year of competition, and the addition of several promising newcomers, should make for an interesting and successful season to come.

The 1972 varsity baseball team ended up with a 13 win, 5 loss record. They defeated some of the toughest teams in Northwest Ohio, beating Findlay, (the Ohio State champs), Central (the City League champs), Maumee (the Northern Lakes League champs), and Fremont Ross (the District champs).

Marc DeWood was the leading hitter with a .345 average. Rob Sharrow finished the year with 16 runs batted in, while Tom Inman led the team with 12 stolen bases. Sharrow and Inman led with 17 and 15 runs scored, respectively. Gary Lewis had a 1.02 earned run average, followed by Tim Siefert's 1.04.

DeWood, Inman, Lewis, Ron Miners, and Siefert were selected to the first team All-Metro.

The reserve baseball team compiled a fine 10-3 record in 1972. The fact that the players improved greatly is exemplified by the fact that they won their last eight games, including two against teams which had previously defeated them. Team captain Jeff Alt along with team leaders Rick Rash, Ryan Paquette, and Ron Kazmierski were instrumental in developing this winning attitude.

Mike O'Reilly and Mike Weidinger competed all season long for the batting title. O'Reilly finally won on the last day of the season, finishing with a .364 average. O'Reilly also won the pitching honors with a 7-1 record and a 1.54 ERA. Mike Markham also pitched well with a 3-0 record.

Pantherettes Master Dances for Basketball Half Times

For their fourth successful season the Pantherettes, performing during half-time at basketball games, provided entertainment for the spectators. They spent much time at evening practices and Saturday afternoon rehearsals perfecting numerous routines. They were advised by Mr. & Mrs. George Offenburg, who have been the advisors and choreographers for two years.

Tryouts for Pantherettes were held in the spring. Twenty-two girls were chosen for their dancing ability and overall appearance. Leslie Lein served as president, Debbie Feaver as vice-president, Theresa Hallenbeck as secretary, and Sue Zunk as treasurer. This year the girls danced to melodies such as "Hang on Sloopy," "Sleight Ride," and "Shaft" and they hope to participate in various activities this summer.

A few of the Pantherettes perfect the kick line for their half time performances.

Sandy Cramer displays talent and skill while concentrating on a routine.

In Memory of

Gordon Foreman
Dave Nevfeld
Mark Parrish
Mr. James Rice
Sue Szymanski

and those who gave their life
for their country.

Those who walked,
learned,
and lived with us,
Left a part of themselves,
never,
to be forgotten.

"Looking through the years gone by" are familiar words to Whitmer students. However, we must not always be looking back, but we must look ahead. Many questions were posed in this book about destiny and destination. Man has varied philosophies about destiny.The Bible says there are only two destinies for man: heaven or hell. To achieve the latter destination do not do anything, you are already on your way. If you would like to change your course and go to heaven, Jesus said, "I am the way, the truth, and the life, no man cometh unto the Father but my me." The plan of salvation is simple:

1. Acknowledge you are a sinner (Romans 3:23).
2. Because you sin, you are going to die, separated from God (Romans 6:23).
3. Jesus Christ paid the penalty for your sin (John 3:16).
4. You must accept Him as your Lord and Savior (Romans 10:9, 10).

The choice of your destination is your own.

At the beginning of the year, my dreams were that the destination of the pages of this book would not be hindered by such things as unmet deadlines, lost pictures, and unwritten copy. But, alas, this book has fallen captive to such enemies. Not because of me, but in spite of me, these memoirs will finally be published. I would like to give an inadequate thank-you:

To Mr. T for being so patient with me;
To Bob Abraham for his photography;
To Steve for his help, advice, and listening ear;
To the Toledo Zoo and Art Museum for their co-operation in allowing us to take pictures there;
To Devanie for her hours of typing;
To Jeni for running an orderly business section. (Whose business I don't know.);
To Paulette D. for her "techniques" in selling advertising;
To Mike and Doyle for putting up with the girls on the staff;
To Sue for her contribution to the excitement;
To Chip for two wonderful years;
And above all, thanks to the 1973 ORACLE staff for putting up with me and working together to make this book the best it could possibly be. Without them, this book would not have been possible.
I wish them all a smile and an appreciation of working with other people.

We, the 1973 ORACLE staff, have many memories captured within the pages of this book. I only hope these pages are filled with your memories also.

To a real neat, cool, intelligent and sweet friend whom I have just met this year. I guess by meeting you through your other friend Pam. Boy you also by meeting you through your other friend Pam. Boy you are really neat. How about the Junior Class Banquet and Me and Pam went and Karen made President and your name was called because you won an award for the highest grades in the class. And when Pam got an award for regional contest and you should have been right that you didn't want to go to the Banquet and Me and Pam got an award for regional contest and you should have been with us after the Banquet. Boy, that happened afterwards. Boy, Karen Harris, Beth Warren, Kathy Thomas, she Tinnicemeas and Blackmon's carryout and Boy did we get smacked. So we all went up to the bathroom, so we stopped at the guy at the counter and he said "May I help you" and Horas looks at the guy at Mos Donald's the Bathroom" - we all cracked up. Boy that was a fun night. The Banquet was see at about 8:00 and we started dropping off every body at about 10:30. Then every body went home and the next day I'll bet Horas + Warren was feeling after effects. Well its been a pretty good year so far and I hope to an even better one next summer and Good Have a nice Summer and Good Luck in the future - See ya next year in the Block. Love Donna Parcell "94"

Becky,
We had a riot this year. Dracie is so cool with her hairy arm pits, leg, and dandruff.
You're a super-sweet person and I really mean it.
Remember all those Rap Session we had? What a riot! I'm jealous of your intelligence!
Next year should be alot of fun. I think we made Smith the way she is, nuts. I think she's cracking up in her old age!
You're a really great friend. Stay that way always!

Love ya

BECKY,

Well this year of Block is almost over!!
Grace should be put up for Miss
America Contest" - she's so beautiful!!
Some of the stories Milky has told
me about what you and her used
to do. Naughty naughty! Milky, you, and
I should get together and see what kind of
trouble we can get into!! See you in Block
next year and Goodluck in every thing you do!!

Peace Baby,

Beth Warren ((74))
